ASPIRA National Staff Directory

January, 1997

The National Staff Directory

The National Staff Directory was developed by the ASPIRA National Office to enhance communications within the ASPIRA Association. It is one more step in the National Office's effort to bring us closer together as a national Association. We hope it is a tool that all members of the ASPIRA family will have on their desks.

We would like this Directory to be as updated as possible. Therefore, we will be updating it every three months. Changes in address, staff, titles, phone or fax numbers can be reported to the National Office at any time. To report changes, please contact:

Julia Howell Barros
Development Coordinator
835-3600, ext. 111

El Directorio Nacional

El Directorio Nacional de ASPIRA fue preparado por la Oficina Nacional con el propósito de mejorar la comunicación entre los miembros de la Asociación. Es un paso más en los esfuerzos de la Oficina Nacional de buscar formas de unirnos aún más como asociación verdaderamente nacional. Esperamos que el Directorio sea de utilidad y que esté sobre el escritorio de cada miembro de la familia de ASPIRA.

Queremos que el Directorio esté lo más al día posible. Estaremos revisándolo cada tres meses. Pueden informar cambios de dirección, personal, título, número telefónico o de fax a la Oficina Nacional en cualquier momento. Para informar cambios, favor de comunicarse con:

Julia Howell Barros
Development Coordinator
